Flutter Clock Contest Submission

Please submit your Flutter Clock entry via this form before January 20, 2020 at 11:59pm PST. We ask that your submission follows the official rules and guidelines. See the full Flutter Clock Official Rules for additional eligibility requirements.

By submitting this form, you agree to the Flutter Clock Official Rules available at https://tinyurl.com/wkjqqrw. If you are entering as an individual, you accept the Flutter Clock Official Rules. If you are entering on behalf of an entity, you represent and warrant that you are authorized to act on behalf of, and bind to the Flutter Clock Official Rules, that entity. You acknowledge that your information will be used in accordance with Google's Privacy Policy, available at https://policies.google.com/privacy.

Google reserves the right to disqualify any entrant from the contest if, in Google's sole discretion, it reasonably believes that the entrant has violated the Official Rules.

Link to your project's GitHub repo (you must share this with Google by the end of the Contest Period at 11:59pm PST on January 20, 2020, but it is fine to keep it private until February 5, 2020) *

https://github.com/irockel/flutter_clock

Any special instructions for judging your clock face or other information we should know (e.g. do you prefer we run it on iOS or Android)?

Test it on Android. It contains some basic l10n, but as MaterialApp is hidden inside flutter_clock_helper which shouldn't be edited, I just localized the minimum stuff necessary.
